

The Spalding-Swinney Co. make announcement that they have just closed a contract with the Tapp-Stewart Tractor Co., of Clatskanie, Wis., for the state distribution of their product, and say in this connection that they are prepared to make suitable contracts with dealers in the larger cities of the state.

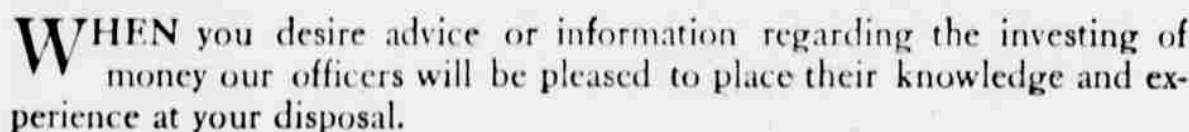

A. B. Mayhew, secretary of the

**Top-Stewart Tractor Co.** and A. E. Wheeler, of the sales department of that firm, who have been in the city for the past week in conference with the building commission, announced today in paying host to W. H. Finley, president, Eugene Topp, director, and Edward Island, superintendent of the Top-Stewart Tractor Co., upon their way back from the Top-Stewart Tractor Co. The Top-Stewart Tractors, already have a number of the units in the fields of Oklahoma.

The Argentine government is planning to harness falling water for the production of electric power.

After the funeral of his father at St. Louis yesterday, Eugene Lorton, publisher of The World, upon the personal invitation of Will H. Hays, chairman of the republican national committee, went on to Washington to attend the quinquennial meeting of the committee to be held on December 15. This meeting is called for the purpose of fixing the time and place of the next national convention.

**Harvard Starts Indoor Rowing.**  
CAMBRIDGE, Dec. 6.—"Bill" Haines, Harvard rowing coach, has opened his indoor class for oarsmen. Fall rowing at Harvard was concluded in the inter-class club dormitory, and vaguely regatta, but Coach Haines been in hand at the "Newell" boathouse three afternoons a week for ambitious oarsmen out for extra winter work.
